## Strategic Report

The Directors present their Strategic Report on B.A.T. China Limited (the "Company") for the year ended 31 December 2022.

### Principal activities

The principal activity of the Company is the marketing of tobacco products of the British American Tobacco p.l.c. group of companies (the "Group") for domestic sales through the Company's branch in China.

### Review of the year ended 31 December 2022

The profit for the financial year attributable to the Company's shareholders after deduction of all charges and the provision of taxation amounted to £12,803,000 (2021: £6,401,000).

The Directors expect the Company's activities to continue on a similar basis in the foreseeable future.

### Key performance indicators

Given the nature of the Company's activities, the Company's Directors believe that key performance indicators are not necessary or appropriate for an understanding of the Company's specific development, performance, or the position of its business. However, key performance indicators relevant to the Group, and which may be relevant to the Company, are disclosed in the Strategic Report in British American Tobacco p.l.c.'s 2022 Annual Report and Form 20-F ("BAT ARA & 20-F") and do not form part of this report.

### Principal risks and uncertainties

The principal risks and uncertainties of the Company, including financial risk management, are integrated with the principal risks of the Group, and are monitored by audit committees to provide a framework for identifying, evaluating and managing risks faced by the Group. Accordingly, the key Group risk factors that may be relevant to the Company are disclosed in the BAT ARA & 20-F and do not form part of this report.

### UK Companies Act 2006: Section 172(1) Statement

The Company is part of the Group and is ultimately owned by British American Tobacco p.l.c. As set out above in the Company's Strategic Report, the Company's principal activity is the marketing of tobacco products of the Group for domestic sales through the Company's branch in China.

Under Section 172(1) of the UK Companies Act 2006 (the "Act") and as part of the Directors' duty to the Company's shareholders to act as they consider most likely to promote the success of the Company, the Directors must have regard for the likely long-term consequences of decisions and the desirability of maintaining a reputation for high standards of business conduct. The Directors must also have regard for the interests of the Company's employees, business relationships with the Company's wider stakeholders and the impact of the Company's operations on the environment and communities in which it operates. Consideration of these factors and other relevant matters is embedded into all Board decision-making and risk assessments throughout the year.

The Company's key stakeholders are Group undertakings, including its shareholders, direct and indirect suppliers to the Company (including leaf suppliers, product materials suppliers and goods and services suppliers), customers of the Company (including distributors, wholesalers and retailers), employees, the government, customs, revenue and tax authorities and wider society in countries in which the Company operates.

The Company engages with other Group undertakings, including its shareholders through regular meetings, intra-group management activities and ongoing dialogue. Primary ways in which the Company engages directly or indirectly, as part of the Group, with its key external stakeholders are summarised on pages 20 to 21 of the BAT ARA & 20-F.

Where the Directors do not engage directly with the Company's stakeholders, they are kept updated on stakeholder perspectives, including through the use of management reporting and Board notes relating to matters presented to the Board during the year which set out stakeholder considerations as applicable to matters under consideration. This enables the Directors to maintain an effective understanding of what matters to those stakeholders and to draw on these perspectives in Board decision-making.

In relation to employee engagement, a range of internal communications and engagement channels were used during the year to support effect engagement with Group company employees. The primary engagement channels for Group company employees based in HK (including the Company's employees) include town

## Strategic Report (continued)

### UK Companies Act 2006: Section 172(1) Statement (continued)

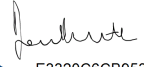

hall sessions, employee council meetings, the Your Voice employee survey and webcasts as set out on pages 20, 88, 140 and 169 of the BAT ARA & 20-F. The Group's 'Speak Up' channels are also available to all Company employees (as set out on page 66 of the BAT ARA & 20-F).

In accordance with the Group's overall governance and internal controls framework and in support of the Company's purpose as part of the Group, the Company applies and the Directors have due regard to all applicable Group policies and procedures, including the Group Statement of Delegated Authorities ("SoDA"), and the Group Standards of Business Conduct, International Marketing Principles, Health and Safety Policy, and Environment Policy as set out on pages 45 and 91 of the BAT ARA & 20-F. As a Group company, the Company acts in accordance with the Group's policies in relation to the safeguarding of human rights and community relationships, which are set out on page 45 of the BAT ARA & 20-F.

Certain authorities for decision-making are delegated to management under the SoDA, part of the Group's governance and internal controls framework through which robust corporate governance, risk management and internal control are promoted within the Group. Application of the SoDA does not derogate from any requirement for Board review, oversight or approval in relation to the Company's activities.

The Directors receive training in relation to their role and duties as a Director on a periodic basis. All newly appointed Directors receive training in respect of their roles and duties on appointment, including on directors' duties under Section 172 of the Act. Director training is provided through the Company Secretary.

## Directors' Report

The Directors present their report together with the audited financial statements of the Company for the year ended 31 December 2022.

In accordance with Section 414C(11) of the Act, the Directors have provided an indication of likely future developments in the business of the Company in the Strategic Report under the heading "Review of the year ended 31 December 2022".

### Dividends

The Directors do not recommend the payment of a dividend for the year (2021: £nil).

### Board of Directors

The names of the persons who served as Directors of the Company during the period 1 January 2022 to the date of this report are as follows:

	Appointments in the period	Resignations in the period
Gregory Aris		07 September 2022
Bassem Bekdache		01 January 2022
David Patrick Ian Booth		
Lap Kei Cheung		
Takaya Kai	01 January 2022	
Ruth Wilson		

### Research and development

No research and development expenditure has been incurred during the year (2021: £nil).

### Employees

The average number of employees employed by the Company during the year was 4 (2021: 5).

### Auditor

Pursuant to Section 487 of the Act, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

### Statement of Directors' Responsibilities

The Directors are responsible for preparing the Strategic Report, the Directors' Report, and the financial statements in accordance with applicable law and regulations.

Applicable law requires the Directors to prepare financial statements for each financial year. Under applicable law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

Under applicable law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Act. They are responsible for

## Directors' report (continued)

### Statement of Directors' Responsibilities (continued)

such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

### Directors' declaration in relation to relevant audit information

Having made appropriate enquiries, each of the Directors who held office at the date of approval of this report confirms that:

- (a) to the best of their knowledge and belief, there is no relevant audit information of which the Company's auditor is unaware; and
- (b) they have taken all steps that a Director might reasonably be expected to have taken in order to make themselves aware of relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Act.

# Independent Auditor's Report to the members of B.A.T. China Limited

## Opinion

We have audited the financial statements of B.A.T. China Limited ("the Company") for the year ended 31 December 2022 which comprise the Profit and loss account, Statement of other comprehensive income, Statement of changes in equity, Balance Sheet and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

## Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

# Independent Auditor's Report to the members of B.A.T. China Limited

## Fraud and breaches of laws and regulations – ability to detect

### *Identifying and responding to risks of material misstatement due to fraud*

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors and inspection of policy documentation as to the Company's policies and procedures to prevent and detect fraud as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes.
- Using analytical procedures to identify any usual or unexpected relationships.

As required by auditing standards, we perform procedures to address the risk of management override of controls and the risk of fraudulent revenue recognition, in particular the risk that revenue is recorded which does not exist and the risk that management may be in a position to make inappropriate accounting entries. We did not identify any additional fraud risks.

We also performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included those posted by individuals who typically do not post journal entries or are not authorised to do so and those posted to unrelated, unusual or seldom used accounts.

### *Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations*

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the Directors (as required by auditing standards), and discussed with the Directors the policies and procedures regarding compliance with laws and regulations.

The Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Whilst the Company is subject to many other laws and regulations, we did not identify any others where the consequences of noncompliance alone could have a material effect on amounts or disclosures in the financial statements.

### *Context of the ability of the audit to detect fraud or breaches of law or regulation*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

# Independent Auditor's Report to the members of B.A.T. China Limited (continued)

## Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and director's report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

## Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

## Directors' responsibilities

As explained more fully in their statement set out on pages 4 and 5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at

[www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

# Independent Auditor's Report to the members of B.A.T. China Limited (continued)

## The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**David Patrick Ian Booth**  
**Director**

**Registered number**  
**00134409**

The accompanying notes are an integral part of the financial statements.

## Notes to the financial statements for the year ended 31 December 2022

### 1 Accounting policies

#### Basis of accounting

The Company is a private company incorporated, domiciled and registered in England and Wales in the UK. The registered number is 00134409 and the registered address is Globe House, 1 Water Street, London, WC2R 3LA.

The financial statements of the Company have been prepared in accordance with Act and in accordance with FRS 101.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of UK-adopted International Accounting Standards (“IAS”) but makes amendments where necessary in order to comply with the Act, and has taken advantage of certain disclosure exemptions available under FRS 101, including those relating to the preparation of a cash flow statement or disclosures regarding financial instruments and transactions with related parties.

The Directors have at the time of approving these financial statements a reasonable expectation that the Company has adequate resources to continue in operational existence for 12 months following the signing of these financial statements.

The Company is included in the consolidated financial statements of British American Tobacco p.l.c. which is incorporated in the United Kingdom and registered in England and Wales. Consequently, the Company has taken advantage of the exemption from preparing consolidated financial statements under the terms of Section 400 of the Act.

The preparation of the financial statements requires the Directors to make estimates and assumptions that affect the reported amounts of income, expenses, assets and liabilities, and the disclosure of contingent liabilities at the date of the financial statements. The key estimates and assumptions are set out in the accounting policies below, together with the related notes to the financial statements.

The most significant items include:

- the review of asset values and impairment testing of financial and non-financial assets; and
- the classification of an investment as a joint venture

Such estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable in the circumstances and constitute management’s best judgment at the date of the financial statements. In the future, actual experience may deviate from these estimates and assumptions, which could affect the financial statements as the original estimates and assumptions are modified, as appropriate, in the year in which the circumstances change.

#### Foreign currencies

The functional currency of the Company is Sterling. Turnover and profits expressed in currencies other than Sterling are translated into Sterling using exchange rates applicable to the dates of the underlying transactions. Monetary assets and liabilities are translated at closing rates of exchange.

The Company operates a branch in Hong Kong which has a functional currency of Hong Kong Dollars, and the results of the branch are translated to Sterling using exchange rates applicable to the dates of the underlying transactions. Average rates of exchange in each year are used where the average rate approximates the relevant exchange rate at the date of the underlying transactions.

The difference between the profit and loss account of the overseas branch translated at the average and closing rates of exchange is taken to reserves, as are differences on exchange arising on the retranslation to Sterling of foreign currency net liabilities at the beginning of the year.

Exchange differences arising on the retranslation of certain monetary assets and liabilities between the Company and its branch, which qualify to be treated as net investments in a foreign operation, are translated at the exchange rate ruling at the end of the year and are taken to reserves. Other exchange differences, including those on remittances, are reflected in the profit and loss account.

## Notes to the financial statements for the year ended 31 December 2022

### 1 Accounting policies (continued)

#### Turnover

Turnover principally comprises sales of cigarettes and other tobacco products to external customers. Turnover excludes duty, excise and other taxes and is stated after deducting rebates, returns and other similar discounts, and payments to direct and indirect customers.

Turnover and Income is recognised in the profit and loss account when all contractual or other applicable conditions for recognition have been met.

#### Other operating expenses

Operating expenses are recorded in the period they relate to and are generated in the normal business operations of the Company.

#### Taxation

Taxation is that chargeable on the profits for the period, together with deferred taxation.

The current income tax charge is calculated on the basis of tax laws enacted or substantively enacted at the balance sheet date.

Tax is recognised in the profit and loss account except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case it is recognised in other comprehensive income or changes in equity.

As a UK resident wholly-owned subsidiary of the Group, the Company is eligible to surrender tax losses to, or claim tax losses from, fellow members of the same UK Group for the purposes of calculating corporation tax due in the UK ("Group Relief").

It is Group policy that tax losses are surrendered unless the entity generating the losses has a particular requirement to carry the losses forward. It is also Group policy not to reimburse entities for Group Relief surrendered unless, on a stand-alone basis and assuming the entity were not in the Group, those losses are judged to have value to the entity generating the loss.

#### Investments in Group undertakings

As permitted by International Financial Reporting Standard ("IFRS") 9 *Financial Instruments*, Investments in Group undertakings, including subsidiaries, associates and joint ventures, are stated at cost, together with subsequent capital contributions, less provisions for any impairment in value, where appropriate.

Joint ventures comprise contractual arrangements where two or more parties have joint control, where decisions regarding the relevant activities of the entity require unanimous consent and where the parties to the arrangement have rights to the net assets of the arrangement.

#### Tangible assets

Tangible assets are stated at cost less accumulated depreciation. Cost includes the original purchase price of the asset and the costs attributable to bringing the asset to its working condition for its intended use. Depreciation is calculated on a straight-line basis to write off the cost of tangible assets over their useful lives. Depreciation is charged pro rata based on the month of acquisition and disposal.

The rate of depreciation used for plant, machinery and equipment is 20-25%.

#### Impairment of non-financial assets

Assets are reviewed for impairment whenever events indicate that the carrying amount of an asset may not be recoverable. In addition, assets that have indefinite useful lives are tested annually for impairment. An impairment loss is recognised to the extent that the carrying value exceeds the higher of the asset's fair value less costs to sell and its value in use.

#### Leases

The Company applies IFRS 16 *Leases* to contractual arrangements which are, or contain, leases of assets, and consequently recognises right-of-use assets and lease liabilities at the commencement of the leasing arrangement, with the assets included as part of property, plant and equipment (note 8) and the liabilities included as part of creditors (note 11).

## Notes to the financial statements for the year ended 31 December 2022

### 1 Accounting policies (continued)

The Company has adopted several practical expedients available under the Standard including not applying the requirements of IFRS 16 to leases of intangible assets, applying the portfolio approach where appropriate to do so, not applying the recognition and measurement requirements of IFRS 16 to short-term leases (leases of less than 12 months maximum duration) and to leases of low-value assets. Except for property-related leases, non-lease components are not separated from lease components.

Lease liabilities are initially recognised at an amount equal to the present value of estimated contractual lease payments at the inception of the lease, after taking into account any options to extend the term of the lease. Lease commitments are discounted to present value using the interest rate implicit in the lease if this can be readily determined, or the applicable incremental rate of borrowing, as appropriate. Right-of-use lease assets are initially recognised at an amount equal to the lease liability, adjusted for initial direct costs in relation to the assets, then depreciated over the shorter of the lease term and their estimated useful lives.

#### Stock

Stock is valued at the lower of cost and net realisable value. Cost is based on weighted average cost incurred in acquiring inventories and bringing them to their existing location and condition, which will include raw materials, direct labour and overheads, where appropriate. Net realisable value is the estimated selling price less cost to completion and sale.

#### Financial instruments

The Company's business model for managing financial assets is set out in the BAT Group Treasury Manual which notes that the primary objective with regard to the management of cash and investments is to protect against the loss of principal. The majority of financial assets are held in order to collect contractual cash flows (typically cash and cash equivalents and loans and other receivables).

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and derecognised when it ceases to be a party to such provisions. Such assets and liabilities are classified as current if they are expected to be realised or settled within 12 months after the balance sheet date. If not, they are classified as non-current.

Financial assets and financial liabilities are initially recognised at fair value, plus directly attributable transaction costs where applicable, with subsequent measurement as set out below.

Financial instruments are initially recognised at fair value plus directly attributable transaction costs where applicable. The Company's financial assets consist of cash and debtors, including loans (debentures) and trade receivables, amounts owed by Group undertakings and other debtors. These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently carried at amortised cost.

Non-derivative financial liabilities, including creditors, are subsequently carried at amortised cost using the effective interest method.

Where interest bearing receivables and payables have their floating rates based on benchmark rates, such as the London Interbank Offered Rate ("LIBOR"), the Company accounted for the application of replacement benchmark rates in accordance with the Amendments to IFRS 9 *Financial Instruments* published in 2019 (phase 1) and 2020 (phase 2) when applicable. The replacement rate Sterling Overnight Index Average ("SONIA") has been applied since August 2021.

#### Impairment of financial assets held at amortised cost

Loss allowances for expected credit losses on financial assets which are held at amortised cost are recognised on initial recognition of the underlying asset. As permitted by IFRS 9 *Financial Instruments*, loss allowances on trade receivables arising from the recognition of revenue under IFRS 15 *Revenue from Contracts with Customers* are initially measured at an amount equal to lifetime expected losses. Allowances in respect of loans and other receivables (debtors) are initially recognised at an amount equal to 12-month expected credit losses. Allowances are measured at an amount equal to the lifetime expected credit losses where the credit risk on the receivables increases significantly after initial recognition.

## Notes to the financial statements for the year ended 31 December 2022

### 1 Accounting policies (continued)

#### Retirement benefits

The Company participates in several pension schemes, the largest of which is a Group pension scheme operated by British American Tobacco (Hong Kong) Limited ("HKL"), a fellow subsidiary company incorporated in Hong Kong. HKL is deemed to be the sponsoring employer of this scheme under IAS 19 and financial statements for the scheme assets and liabilities in full. The Company is recharged costs equivalent to its share of contributions to the scheme as and when called upon to do so by HKL. The Company is unable to identify its share of the underlying assets and liabilities of the schemes sponsored by HKL and therefore, does not recognise any share of any surplus or deficit in respect of these.

The Company also operates a defined contribution scheme. Payments in respect of defined contribution schemes are charged as an expense as they fall due.

### 2 Turnover

Turnover comprises the domestic sales of tobacco products in China.

Other operating income consists mainly of recharges to other fellow Group undertakings.

### 3 Other operating expenses

	2022	2021
	£'000	£'000
<b>Cost of sales</b>		
Purchases of goods for resale	19,416	3,103
	<b>19,416</b>	<b>3,103</b>

	2022	2021
	£'000	£'000
<b>Other operating expenses comprise:</b>		
Staff costs	821	814
Exchange losses	550	8

	<b>821</b>	<b>814</b>

## Notes to the financial statements for the year ended 31 December 2022

### 3 Other operating expenses (continued)

The average monthly number of persons employed by the Company during the year was:

	2022	2021
Average number of employees employed	4	5

None of the Directors received any remuneration in respect of their services as a Director of the Company during the year (2021: £nil). The Company considers that there is no practicable method to allocate a portion of the emoluments the Directors receive from their respective Group company employer for any qualifying services in respect of the Company, as these are considered to be incidental and part of the Directors overall management responsibilities within the Group.

### 4 Income from shares in joint ventures

	2022 £'000	2021 £'000
Income from shares in joint ventures	<b>9,503</b>	9,059
	<b>9,503</b>	9,059

The income from shares in joint ventures is received from the Company's joint venture the China National Tobacco Corporation: CTBAT International Limited ("CTBAT").

### 5 Interest payable and similar expenses

	2022 £'000	2021 £'000
Interest payable and similar charges	<b>523</b>	3,235
	<b>523</b>	3,235

	2022 £'000	2021 £'000
Interest receivable and similar income	<b>750</b>	660
	<b>750</b>	660

## 7 Taxation

#### (a) Recognised in the profit and Loss account

	2022 £'000	£'000	2021 £'000	£'000
Current tax on income for the period	<b>19</b>		18	
<b>Total income tax expense</b>		<b>19</b>		18

#### (b) Factors affecting the taxation charge

An increase in the UK corporation rate from 19% to 25% (effective 1 April 2023) was substantively enacted on 24 May 2021. This will increase the company's future current tax charge accordingly.

The taxation charge for the year differs from the charge that would be expected based on the statutory 19% (2021: 19%) rate of corporation taxation in the UK. The major causes of this difference are listed below:

## Notes to the financial statements for the year ended 31 December 2022

## 7 Taxation (continued)

## (b) Factors affecting the taxation charge( continued)

	2022 £'000	2021 £'000
Profit for the financial year	12,803	6,401
Total tax expense	19	18
Profit before tax	12,822	6,419
Tax using the UK corporation tax rate of 19% (2021: 19%)	2,436	1,220

## Notes to the financial statements for the year ended 31 December 2022

## 9 Investments

## Shares in Joint venture

Company	Share Class	Direct interest (%)	Subsidiary Interest (%)	Attributable Interest (%)
29/F, Oxford House, 979 King's Road, Taikoo Place, Quarry Bay, Hong Kong				
CTBAT International Limited	Ordinary shares	50	0	50
				<b>Investment</b>
				<b>£'000</b>
<b>Cost</b>				
1 January 2022				60,763
Differences on exchange				7,579
<b>31 December 2022</b>				<b>68,342</b>

During 2013 the Company, through its branch, entered into a joint venture agreement with China National Tobacco Corporation to create CTBAT, a company incorporated in Hong Kong. CTBAT manages the worldwide international cigarette trademarks State Express 555 and Shuang Xi.

The Directors are of the opinion that the individual investment in the Group undertaking has a value not less than the amount at which it is shown in the balance sheet.

## 10 Debtors

## (a) Amounts falling due within one year

	2022	2021
	£'000	£'000
Trade debtors	1,395	3,190
Amounts due from Group undertakings - gross	74,043	64,450
Other debtors	—	66
Prepayments and accrued income	253	298
	<b>75,691</b>	<b>68,004</b>

Included within amounts due from Group undertakings is an amount of £68,501,000 (2021: £62,233,000) which is unsecured, interest bearing and repayable on demand. The Company has amounts receivable from fellow Group subsidiaries where the variable interest rate is in accordance with the Group's intercompany lending agreements. During 2021, the standard lending agreements within the Group were revised to take account of global benchmark interest rate reform. Prior to 1 August 2021 the applicable rate was based on LIBOR and with effect from this date it is based on SONIA. Management consider the replacement rates in the revised intercompany agreement to be economically equivalent to those used previously. The impact of the change in rates was not significant to the Company. Other amounts owed by Group undertakings are unsecured, interest free and repayable on demand.

## (b) Amounts falling due after one year

	2022	2021
	£'000	£'000
Membership debentures	212	401
	<b>212</b>	<b>401</b>

## Notes to the financial statements for the year ended 31 December 2022

### 11 Creditors: Amounts falling due within one year

	2022	2021
	£'000	£'000
Trade creditors	1,193	2,062
Amounts owed to Group undertakings	1,985	7,808
Taxation and social security	4	5
Lease liability	37	—
Accruals and deferred income	1,295	88
Other	35	(709)
	<b>4,549</b>	<b>9,254</b>

Included within amounts owed to Group undertakings is an amount of £nil (2021: £5,023,000) which is unsecured, interest bearing and repayable on demand. The interest rate is based on HKD HIBOR. All other amounts owed to Group undertakings are unsecured, interest free and repayable on demand.

### 12 Capital and reserves

#### (a) Called up share capital

Ordinary shares of £1.00 each	2022	2021
Allotted, called up and fully paid		
- value	<b>£97,388,714</b>	£97,388,714
- number	<b>97,388,714</b>	97,388,714

The called up share capital account records the nominal value of shares issued

#### (b) Profit and loss account

The profit and loss account includes all current and prior period retained profits and losses.

#### (c) Other Reserves

Other reserves include differences on exchange arising on the translation of the retained profits and net assets of the overseas branch from Hong Kong Dollar to Sterling.

### 13 Retirement Benefit Scheme Liabilities

The majority of employees are members of a multi-employer pension scheme operated in Hong Kong by British American Tobacco Company (Hong Kong) Limited and information on that scheme is disclosed in the financial statements of that company.

British American Tobacco Company (Hong Kong) Limited is deemed to be the sponsoring employer of this scheme under IAS 19 and financial statements for the scheme assets and liabilities in full. The Company is recharged costs equivalent to its share of contributions to the scheme as and when called upon to do so by HKL. The Company is unable to identify its share of the underlying assets and liabilities of the schemes sponsored by HKL and therefore, do not recognise any share of any surplus or deficit in respect of these.

The main pension scheme operated in Hong Kong is a defined benefit externally funded scheme which provides a lump sum on retirement or leaving service. Contributions to the scheme are made in accordance with the advice of Watson Wyatt Hong Kong Limited, an independent qualified actuary. The most recent actuarial valuation was made as at 31 December 2022 and showed a surplus of £564,211 (2021: £1,301,000) under the projected unit method. The main assumptions used were that salaries will increase by 2.5% (2021: 2.5%) per annum, a general inflation rate of 2% (2021: 2.0%) per annum and a discount rate of 4.2% (2021: 0.9%).

The total net pension cost for the Company for 2022 was £nil (2021: £nil).

The Company also operates a defined contribution scheme, the costs for which amounted to £61,000 (2021: £41,000).

At 31 December 2022 there were amounts of £nil (2021: £nil) prepaid and £nil (2021: £nil) outstanding in respect of defined contribution schemes.

## Notes to the financial statements for the year ended 31 December 2022

### 14 Related party disclosures

Transactions with related parties have been aggregated by nature of transaction and were as follows:

	2022	2021
	£'000	£'000
<b>Transactions with associates and joint ventures of the Group</b>		
Marketing services provided to CTBAT	<b>15,476</b>	15,019

The related party referred to is CTBAT (see note 9).

As a wholly owned subsidiary the Company has taken advantage of the exemption under FRS 101 from disclosing transactions with other subsidiary undertakings of the British American Tobacco p.l.c. Group.

### 15 Parent undertakings

The Company's ultimate parent undertaking and ultimate controlling party is British American Tobacco p.l.c. being incorporated in the United Kingdom and registered in England and Wales. The Company's immediate parent undertaking is British American Tobacco China Holdings Limited. Group financial statements are prepared only at Group level and may be obtained from:
